## **60 Poems, 60 Reasons to Smile**

## **A Few Glimpses into the Absurd**

To give you a taste of the absurd delights that await you, here are a few excerpts from the collection:

### ***The Vegetative Lament***

*I am a carrot, not a mere vegetable,  
My existence is full of potential.  
I dream of dancing, of singing with glee,  
But alas, I'm rooted, eternally.*

### ***The Feline Philosopher***

*Cats are not the sum of their whiskers and fur,  
They ponder the universe, that's for sure.*

*In their minds, they ponder life's great quests,  
Like why humans insist on chasing their tails.*

### ***The Eccentric Inventor***

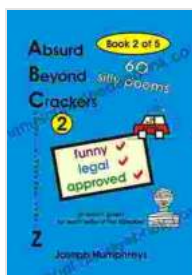

*I've created a device that makes clouds speak,  
They whisper in riddles, both mild and meek.  
But the problem I face, as an inventor astute,  
Is that they refuse to answer, "What is the meaning of life?"*

### **The Gift of Laughter**

'Absurd Beyond Crackers' is more than just a book of poems; it's a gift of laughter. It reminds us that life doesn't always have to make sense, and sometimes the best way to cope is to embrace the absurd.

Whether you're a longtime fan of silly poetry or simply looking for a way to brighten your day, 'Absurd Beyond Crackers' is the perfect antidote to boredom and seriousness.

So, grab a copy today and prepare to be delightfully bewildered. Laughter is guaranteed, and sanity is optional!
