Exclusive Interview with Todd McFarlane

In this exclusive interview, Todd McFarlane talks about his career, his passion for action figures, and his plans for the future of Spawn.

"I've always been a fan of action figures," McFarlane says. "I remember playing with them as a kid, and I still collect them today. I think they're a great way to express your creativity and imagination."

McFarlane is best known for creating the character Spawn, which has become one of the most popular action figures in the world. He also founded McFarlane Toys, which produces a wide range of action figures, collectibles, and other products.

"I'm always looking for new ways to innovate and create new action figures that fans will love," McFarlane says. "I think the future of action figures is bright. There are so many new technologies and materials available that we can use to create even more amazing figures than ever before."

Behind-the-Scenes Look at the Making of the New Star Wars: The Force Awakens Action Figures

In this behind-the-scenes look, we take you inside the Hasbro factory where the new Star Wars: The Force Awakens action figures are being made.

We'll show you how the figures are designed, sculpted, and painted. We'll also talk to the Hasbro team about the challenges and rewards of bringing these iconic characters to life.

"It's a lot of work, but it's also a lot of fun," says Hasbro designer Mark Boudreaux. "We're all huge Star Wars fans, so it's a dream come true to be able to work on these figures."

The new Star Wars: The Force Awakens action figures are available now. They're sure to be a hit with fans of all ages.
