Getting Started: Essential Tools and Materials

Before you dive into the world of crochet storage baskets, you will need to gather a few essential tools and materials.

- **Yarn:** Choose a medium-weight yarn that is suitable for crocheting baskets. Some popular options include cotton, wool, and acrylic.

- **Crochet hook:** The size of the crochet hook you need will depend on the thickness of your yarn. For medium-weight yarn, a size H (5mm) hook is a good starting point.
- **Scissors:** You will need scissors to cut the yarn and trim any loose ends.
- **Measuring tape:** A measuring tape will help you to ensure that your basket is the desired size.
- **Yarn needle:** A yarn needle is used to weave in loose ends and sew the basket together.

Basic Crochet Stitches for Storage Baskets

Once you have gathered your tools and materials, you can start learning the basic crochet stitches that are used to make storage baskets.

Single Crochet (sc)

The single crochet stitch is the most basic crochet stitch. It is used to create the body of the basket.

1. Insert the crochet hook into the next stitch.
2. Yarn over the hook.
3. Pull the yarn through the stitch.
4. Yarn over the hook again.
5. Pull the yarn through the two loops on the hook.

Double Crochet (dc)

The double crochet stitch is a bit taller than the single crochet stitch. It is often used to create the rim of the basket.

1. Yarn over the hook.
2. Insert the hook into the next stitch.
3. Yarn over the hook again.
4. Pull the yarn through the stitch.
5. You now have three loops on the hook.
6. Yarn over the hook.
7. Pull the yarn through the first two loops on the hook.
8. Yarn over the hook again.
9. Pull the yarn through the remaining two loops on the hook.
