The Lyrics

It's not about the talent, it's not about the fame

It's about the passion, the drive, the burning flame

Get your black belt in music, don't give up, don't quit

Put in the hours, practice every bit

Get your black belt in music, reach for the stars Don't let anyone tell you that you can't go far You've got the talent, you've got the skill Just keep practicing, and you'll reach your goal

It won't be easy, there will be times you doubt

But if you keep going, you'll figure it out

So get your black belt in music, don't give up, don't quit

Put in the hours, practice every bit

Get your black belt in music, reach for the stars Don't let anyone tell you that you can't go far You've got the talent, you've got the skill Just keep practicing, and you'll reach your goal

It's not about the talent, it's not about the fame

It's about the passion, the drive, the burning flame

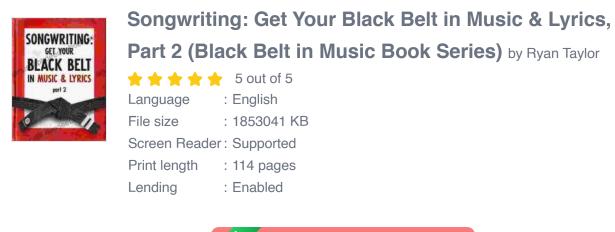

So get your black belt in music, don't give up, don't quit

Put in the hours, practice every bit

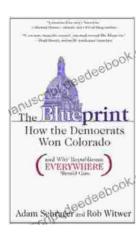

Get your black belt in music, reach for the stars Don't let anyone tell you that you can't go far You've got the talent, you've got the skill Just keep practicing, and you'll reach your goal
