Our story begins in the bustling port city of Tortuga, where Captain Jack is looking for a new crew to join him on his latest adventure. He's not looking for the usual sea dogs, though. He's looking for people who are a bit... different.

He finds them in a group of highlanders who have just arrived in Tortuga. They're a motley crew, to be sure. There's Hamish, the giant with a heart of gold; Fiona, the feisty lass with a quick wit; and Angus, the piper who can play a tune that would make a dead man dance.

Together, this unlikely band of adventurers sets sail on the high seas in search of treasure. Along the way, they'll encounter treacherous storms, dangerous pirates, and even a few friendly mermaids. But through it all, they'll never lose their sense of humor.
