A Journey Through Time: Clark's Rich Historical Heritage

Nestled amidst the rolling hills of Union County, New Jersey, the charming town of Clark unveils a rich tapestry of history that dates back to the 17th century. Its early roots can be traced to the Lenape Native Americans, who inhabited the area for centuries before European settlers arrived.

In the early 18th century, Dutch and English settlers established farms in the region, and by the mid-19th century, Clark had evolved into a thriving agricultural community. The arrival of the railroad in 1868 spurred industrial growth, attracting factories and businesses to the town.
